

QAC meeting 24 October 2017, FIW München

Decision 01/2017

QAC decides to change Appendix E Fees of the KEYMARK Scheme rules according to the proposal 2 of the presentation of Ernst-G. Hencke and add examples for the limit of 5 (product brands) as from Jan 2018

Decision 02/2017

QAC sees no need of introducing 2 different types of KEYMARK Certificates: The **Product Certificate** and the **Product Group Certificate** and will not change the Appendix G.

Decision 03/2017

QAC wants to clarify the KEYMARK Scheme rules in defining **implementation rules for different materials** for the tasks of sampling, grouping, testing and certification with practical examples.

QAC meeting 14 March 2018, VDI

Decision 01/2018

QAC sees the need of introducing in the Scheme Rules Important Definitions: Product , Product Family, Product Certification, Product Group Certification, Legal Entity.

As a basis European product standard for certification the “Part 2 of in situ products” are deleted.^

Decision 02/2018

Introduce prolongation procedure of registered lab in relevant Appendix

Decision 03/2018

Introduce costs of each comparative test (500 € to the lead-lab) borne by registered laboratory.
